

53rd Annual World Congress • ICA 2011

International College of Angiology

John B. Chang, MD, FACS, FICA, Program Chairman

Call For Abstracts

Bali ~ The Island of Paradise ~ Indonesia

September 18-20, 2011

Grand Hyatt Nusa Dua Bali

Join your colleagues from around the world, earn CME, and explore key areas rapidly expanding in cardiovascular medicine and surgery. ICA 2011 is designed to meet the specific educational needs of medical professionals involved with the management and treatment of cardiovascular diseases as they are encountered by primary care physicians, vascular, general, thoracic and cardiovascular surgeons, cardiologists, interventional radiologists, neuroradiologists, fellows and residents of the above specialties, vascular biologists and their staff, and nurses.

The objective of the Annual World Congress is to offer a serious academic forum to those physicians and allied healthcare personnel interested in research, education, and clinical investigation in the field of cardiovascular medicine and surgery. The congress is intended to provide an in-depth review of the spectrum of topics related to the management and treatment of patients with cardiovascular and vascular disease. Special emphasis will be placed upon evolving trends, therapies, and minimally invasive treatment of cardiovascular disease.

This annual world congress will feature an internationally renowned faculty, and recognized leaders will discuss state-of-the-art techniques in the diagnosis and treatment of vascular disease. Live video case presentations, didactic lectures, panel discussions, debates, and question and answer sessions will highlight the most challenging, and controversial topics and procedures performed in interventional medicine. We encourage all of our colleagues to participate in this growing educational program by submission of a formal abstract for a standard oral, poster, or video presentation.

The 2011 program will focus on surgical, percutaneous, and medical management. From peripheral vascular disease to coronary and cerebrovascular disease and abdominal aortic aneurysm, this congress will offer a comprehensive review of what is new in techniques, approaches, and prevention.

Program Highlights

- Advances in Endovascular and Interventional Procedures—Tips and Tricks
- Carotid Arterial Interventions—CEA vs. CAS
- Advances—Controversies—Latest Concepts in Cardiovascular Medicine and Surgery
- Debates in Cardiovascular Medicine
- The Future of Wound Care
- Up-to-Date Techniques for the Treatment of Peripheral Vascular Disease—Techniques and Results
- Contemporary Treatment in Venous Disease
- Thoracic Arch—AAA—Open Procedure vs. Stent vs. Hybrid or Combined?
- Preventive Cardiology—Atherosclerosis—Risk Management—Prevention and Innovative Alternative Medicines
- Young Investigator Award Competition—Your Glory or Disaster—Video Presentations
- Oral, Video, and Poster Presentation Sessions

This Congress is jointly sponsored by the Indonesian Society of Vascular Medicine, Indonesian Heart Association, and the Medical Society of the State of New York

Island of the Gods

International College of Angiology 53rd Annual World Congress Bali, Indonesia September 18-20, 2011 **CALL FOR ABSTRACTS**

The objective of the Annual World Congress is to offer a serious academic forum to those physicians and allied healthcare personnel interested in research, education, and clinical investigation in the field of cardiovascular medicine and surgery.

- Oral Presentation** (10 minutes)
Video Presentation (10 minutes)
Poster Presentation (7 minutes)

ABSTRACT SUBMISSIONS RULES

Please use the **ICA 2011** abstract form to submit an abstract for presentation. **Abstract submission deadline is June 1, 2011. THE ABSTRACT FORM IS AVAILABLE ON THE COLLEGE'S WEBSITE www.intlcollegeofangiology.org.** The Scientific Committee reviews abstracts for acceptance. The Committee's decision of acceptance will be made **by June 15, 2011.**

- The work **MUST** be original and **not previously published or presented.**
- Abstract must indicate presenting author's full mailing address, telephone and fax number and e-mail address.
- Abstracts **MUST** be structured as follows: (1) Abstract Title (2) Author(s) (3) Academic Affiliations of Author(s) (4) Purpose (5) Materials and Methods (6) Results (7) Conclusion
- The abstract text is limited to 325 words (maximum). There is a 50-word minimum.
- Abstracts are to be submitted via e-mail, flash drive, or CD in MS Word software and **Windows XP compatible.**

All abstracts will be reviewed to ensure balance, independence, and objectivity. To that end, authors are required to disclose (1) all relevant financial relationships with commercial supports, (2) whether they intend to discuss an investigational product or the off-label use of a commercial product (3) whether recommendations involving clinical medicine are based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients, and (4) that all scientific research referred to, reported or used in support or justification of a patient care recommendation conforms to the generally accepted standards of experimental design, data collection, and analysis.

All delegates presenting a paper (oral, poster, or young investigator) are required to register for the Congress **prior to June 15, 2011.**

2011 YOUNG INVESTIGATORS AWARD COMPETITION RESIDENTS/FELLOWS/YOUNG FACULTY

If you are a resident or fellow in a training program, consider applying for our Young Investigator Award Competition

The purpose of this competition is to encourage young physicians, research fellows and trainees to engage in high quality research, which forms the basis for future achievement in the pathophysiology of disease, diagnosis and treatment. The Scientific Committee judges entries on originality, innovativeness, scientific merit, presentation, and relevance. The finalist will deliver a 15-minute oral presentation. The International College of Angiology reserves the right to publish the prize-winning manuscript in the *International Journal of Angiology*. The winner(s) will be given a cash award and one-year Associate Membership in the International College of Angiology. Previous recipients of a Young Investigator Award will be ineligible.

Requirements

- Applicant's academic rank cannot be higher than Associate Professor or Lecturer, and must not have held this position for more than 3 years.
- The scientific work is mainly the result of the applicant's effort.
- Materials **must** be original, unpublished, and not previously presented.
- Only one submission per author will be considered. The candidate must be the sole or first author, and must be present at the Award Ceremony to receive the award.
- The submission must be accompanied by certification from the candidate's Head of the Division that the candidate executed the work, that the candidate's academic rank is not higher than Associate Professor or Lecturer, and length of time in this position.
- Any finalist who cannot personally present their work will be ineligible for the award.

Procedure

- Submit 3 copies of the abstract and full manuscript. The manuscript should conform to the guidelines for the *International Journal of Angiology* and should be 8 to 12 pages in length. Abstracts **MUST** be printed on the College abstract form.
- The deadline for abstracts and manuscripts is **June 1, 2011.**
